The Annual Board Breakfast this year was well attended and enjoyed by all!

It was good to introduce our new Chair man, Terri Bounty, and Vice-Chairman Wyatt Tichenor! Terri had undergone some serious surgery on her right hand, so she was free to visit with Roadrunners in attendance. I recruited Ed Battershell to help with the Octagonal Pancakes, he has helped me many times in the past, and it was fun to work with him again. Kenny and Wyatt cooked all of the sausage and Barbara Young made the coffee for us! Bonny Mater did a great job with the Fruit Salad, it was delicious!

It is fun for me to write the MG logo backwards in red pancake batter so they are forward when flipped! Comically, I can write my name backward in cursive better then I can write it frontwards! Kenny thinks I am de mented or something! Ha! Ha!

Roadrunners in attendance were:
Dave & Gretchen Boyer, Ed Battershell & Gloria McNeil, Mark & Bonnie Mater, their daughter Kate Stoessel & grand-daughter Kate, Susan McDonald, Terri Bounty & her sister Marla, Wyatt Tichenor, Barbara & Danny Young, Bunnie & Clyde Williams, Ralph & Christine Cacace, Barry Briskman, Mike Grogan, Victor & Evelyne Rodrigues, Pete Gannon, Doug Belton & and his mom, Dorothy Pelton, Ettore Balletto, Warren Kosters, Mickey Saperstein & his grandson, Bob Izard, Burke Wyatt, new members, Richard & Elaine Glass, prospective new members Toby & Carol Duffel, our daughter Kenna & Ken Petersen, & daughter, Haleigh Martin! As you note our grand-daughters last name, she actually married a Martin!

As I was busy making the Octagonal pancakes, and then helping Terri with our calendar as she was unable to write with her right hand. I was never able to get to the parking lot to view all of the beautiful cars.

As we always do the planning of events for the coming year at the Board Breakfast, we were pleased to have a full calendar. June wasn’t filled in, so as officers, it was decided to go to the Deer Valley Airport at 8:30 am for breakfast on Saturday June 8th. We have invited the AZ MG Club to join us as well, so this will be a joint event.

FOR SALE

I received this car from my parents estate, **Barbara and Orville Granquist.**
Orville bought the car on Sept. 17, 1973 from Charles Roush.
It was restored by Dave’s Import Service to original condition inside and out September 6, 1990.
Driven 205 miles. Kept in parents garage.
Car returned to Dave’s Import by me on Nov. 9, 2017 to get the car back on the road.
Service at Dave’s complete with mileage from restoration at 581. New tires all around.
Although we love the car, a two-seater is just too small for our family.

**Asking $18,500**

Contact info: normajohansen@cox.net or 480-595-8120, our home phone. Ask for Dan.
Car is garaged in central Phoenix at my parents home. Interested buyers can contact us to make
arrangements to see and drive the car.

Roadrunners, here is the registration form for GoF West 2019 that is being held in Prescott AZ this year. We hope a lot of you will sign up for the GoF this year as it is right in our backyard. This is a good way to get our cars out in public view.
Hello Members,

I volunteered to coordinate the solicitation of auction items for this year’s GoF in Prescott, AZ August 12 – August 16! A lot of planning and coordination has gone into this GoF, the venue is great, and the outlook is that it should be a great one for all of us. We on the planning committee hope that Arizona is well represented.

I’m sure that I don’t need to remind you that the auction is one of the mandatory events for any GoF. This auction allows us to take care of any expenses that have not been covered by the income for the event, and, again, hopefully, gives us “seed money” for next year’s event. I can’t tell you how many times in the past few years that the Steering Committee members and Chairpersons of the GoFs were crossing their fingers hoping that the auction turned out well so the finances would balance in a positive direction. But it has worked out each year, thanks to your generous contributions—Thank You!

Well, it’s time to ask for your contributions of auction items again. We could have used a few more items last year. I’m asking if you would consider contributing a bit more than you may have in the past. Go into your garage and find some of those MG items that have been gathering dust that you will probably never use and help us turn them into cash for the GoF. How about those great posters that have been rolled up for the past 20 years? And that extra set of Whitworth wrenches that you have been saving for when your others wear out? There are probably a lot of items that you have that others don’t but would like to have if only they could find one. However, we can’t use old greasy chassis parts. If you have good, clean, serviceable items, please consider donating them. Items don’t necessarily have to be MG related for the attendees to find value in them.

If you do have some items to donate to this worthy cause, please let me know by e-mail (yooperdave@me.com) what the items are and bring them along to the GoF, or send them to Ken Martin 4846 E. Indianola Ave. Phoenix, AZ. 85018. (I am moving to a new house shortly, thus I can’t receive shipments.) I will still be tracking each item(s) by the registrant’s name. Even if you can’t attend, we sure could use your items. Let’s make this event one that provides a lot of fun for the attendees and that keeps our finances in the black. Hope to see you there.

Thank you,

Dave Boyer

Arizona Brake and Clutch. 602-256-7966, 2211 N. Black Canyon Highway, (that is on the east side access road). Take in your old shoes and they will be done in a week. Smart money says take in a drum and they will arc the brakes to your drum.

I have found very reasonable pricing and service for powder coating at: Affordable Powder Coating. They did a mesh grille for the TC for $40. They have a separate company at the same address for Ceramic coatings (like Jet-Hot). They did my Header, Header pipe Muffler and tail pipe for $212 and it was ready in 5 days.
